April 11th

This is it - WHITE ELEPHANT NIGHT - Dig out all that philatelic junk you have been trying to hide all these years. That box of covers you were going to give the kid next door. That old empty album you just emptied. There will be an auction for this material to the highest bidder????????? Be surprised!!!!!!

April 25th We will have a dealer speaker who will tell us about the business of buying and selling stamps and other philatelic material.
